PURCHASING INFORMATION

Our releases are conducted on a FIRST ORDER PROCESSED, FIRST ORDER FILLED basis. Quantities are limited. Offerings are not guaranteed. Please order early to avoid disappointment.

At Knights Bridge Winery we are committed to a limited production of high quality wines. Your offering primarily reflects your length of participation in our program and your buying history. Due to our small production we are not able to guarantee availability of all wines to all members. We will notify you before processing your order if unable to fulfill your requests.

ORDERING:

Ordering Online: If you are interested in securing our wines for your cellar, please visit our site and sign up to add your name to our list (<http://www.knightsbridgewinery.com>) and you will receive your allocation via email. To fax or mail your order, please complete your order form in its entirety - including your **birth date**, ship-to telephone number, e-mail address and state sales taxes where applicable. This helps reduce delays. Missing information and expired credit cards will impede the processing of your order and/or risk the safe delivery of your wine.

Members shipping wine to the following states must pay state sales taxes on purchases. Sales tax rates are subject to change.

² These states require the collection of sales tax on shipping charges.

SHIPPING:

Knights Bridge Winery orders are shipped from temperature-controlled facilities in California. Many states have quantity limits in place. Our policy is to respect all applicable state laws. If you would like more information on your state's regulations, please visit "State Shipping Laws - The Wine Institute" (<http://www.wineinstitute.org/initiatives/stateshippinglaws>) and select your shipping state.

We have chosen the shippers with the best shipping record for your area. In most cases, this will be 2-day delivery. Shipments within CA are sent ground. All 3-tier shipments travel by air to the city hub, and the local retailer chooses the ground carrier for the final leg of delivery. **Unfortunately, due to storage restrictions, it is not possible to arrange for pickup at the winery.**

Please calculate your shipping rate by multiplying your state's 1-6 bottle rates for each 6-bottle increment in your order. For example, the shipping rate for a 14 bottle order would be your state's 1-6 bottle rate times 3. **These shipping rates are approximate; actual charges may vary.**

³ States that are fulfilled through legal wholesaler and retailer network (3-tier).

DELIVERY:

We strongly recommend shipping to a business where someone can sign for your package. Deliveries will arrive Monday through Friday. All packages will be labeled "Adult Signature Required." Wine can only be received by a person who is 21 years of age and older with proper identification. In some cases, your shipment may arrive in two or more separate boxes. It is your responsibility to make sure someone is there to sign for the packages. Return fees of \$10 per package (\$20 for 3-tier states) will be applied, along with any additional shipping charges that may be incurred. We may delay shipments due to weather conditions observed from our end. Knights Bridge Winery cannot be held accountable in the event of weather conditions that arise during transit or upon delivery. **You must provide your e-mail address in order to receive notice prior to the delivery of your order.** We will ship as weather permits.

Thank you very much for your support!
