VINEYARD COLLECTION

Our Vineyard Collection wines highlight unique characteristics from specific blocks. These place- and terroir-driven wines reflect a pure expression of our estate vineyard in Knights Valley and winemaker Douglas Danielak's guiding hand to bring out their highest qualities. Each block name is grounded in family history and our rural roots to reflect and honor our values. Ethel Linville Bailey was an exceptional and dedicated teacher. Her first teaching post was in a rural, one-room schoolhouse in Fairview, TN and it set her on a life-long journey as a passionate educational leader.

WINEMAKING

It makes sense that a great Cabernet vineyard would also be a great place to grow Sauvignon Blanc grapes: Cabernet Sauvignon is a coupling of Sauvignon Blanc and Cabernet Franc and we plant all three varieties on our estate vineyard. We hand harvest by hand to preserve complex aromas and flavors and for better control over the fermentation process. The grapes are then sorted and lightly pressed; the juice is settled completely before beginning a slow fermentation at cool temperatures.

TASTING NOTES

The 2018 Fairview is a wine of energy and drive with exquisite aromas of chamomile, white peach, and lemon. Expansive, wonderfully complex, beautifully structured and concentrated with nuances of vanilla and creamy yeastiness counterpointed by refreshing acidity. The wine is utterly seamless with proportion and balance from beginning to end.
