These place and terroir-driven wines reflect a pure expression of our estate vineyard in Knights Valley and winemaker Derek Baljeu's guiding hand to bring out their highest qualities. VINTAGE

The 2023 growing season began with plentiful winter rains that revitalized the soils and encouraged canopy growth. Vines were slow to start due to the cooler temperatures, but wet soils brought extra canopy growth during the late spring and summer and led to higher yields at harvest. Picking began a little later than usual and the vintage delivered fruit with intense flavors and vibrant acidity.

WINEMAKING

The 2023 Fairview is sourced from a single block of Sauvignon Blanc “Musque” from our Knights Bridge Estate Vineyard. “Musque” is a unique clonal selection that delivers an exotic array of aromas, a superfine texture and impressive weight. This beautifully balanced Sauvignon Blanc embraces 42% new oak fermentation, enhancing its naturally golden character and the complex aromas of Sauvignon Musque. The remaining portion is aged in stainless steel which helps preserve freshness and imparts a thread of minerality, which is a stamp for our terroir in the vineyard. This wine takes months to ferment—slowly drawing out the complexity that is revealed as it opens in the glass.
