VINTAGE

The 2022 growing season delivered a lighter than average crop with smaller berries and cluster sizes of stellar quality. Winter rains led to earlier than typical bud break and were followed by successful fruit set in spring. Mild temperatures through most of summer allowed fruit to ripen at a moderate pace and develop ideal flavors. A heat wave in early September brought an earlier and faster harvest to ensure all fruit was picked at optimum ripeness.

WINEMAKING

Fruit was hand-picked in the early morning hours of September 22 to October 12, sorted and destemmed. The grapes then underwent a 72-hour cold soak before beginning traditional fermentation with two pump overs per day for 10 days. This wine was aged for 20 months in 75% new French oak from Orion and Taransaud.

VINEYARD

The 2022 Linville is sourced from a single block situated on a panoramic hillside of our estate, featuring rugged Goulding Series, a red volcanic soil. There are three selections of Cabernet Sauvignon; Clone 337 brings red fruits and a seamless elegant texture, the See Clone offers a dark fruit essence with classic flavors of cassis and wild blackberry, and Heritage Clone 6 delivers dark chocolate and cacao flavors that carry into the finish.
